Bulletin Publication Change

With the establishment of an ERDC-wide Information Bulletin, which will be published every 2 weeks, individual site Bulletins will now be published in the “off” weeks. Please keep this in mind when submitting articles and information for the site Bulletin. The next Alexandria Site Information Bulletin will be published on July 24.

Handling Calls from the Media

When you receive calls from media representatives (local reporters, technical, trade, or general news media), please refer the caller to the Public Affairs Office (PAO) before responding to any questions. PAO will work with you, the reporter, and our command staff to determine how TEC as an organization can best respond. PAO will arrange an interview between you and the reporter if appropriate, and will answer any follow-up calls. This procedure will help TEC personnel prepare properly for answering media questions.

The intention of this request is not to restrict anyone’s freedom to speak to the press. It will, however, ensure all concerned, when speaking as representatives of TEC, have the big picture and a complete background on the issue at hand. It also ensures the coordination with our executive staff, which is ultimately responsible for the image portrayed by TEC to the press.

Connie Dutton and Team We'Re Angel's Too Capture Virginia Bowling Title

Congratulations to Connie Dutton, OD, and team members of We'Re Angels Too, which recently captured first place honors at the 46th Annual Virginia State Women's Bowling Association Tournament, held in Christiansburg, Va.

The first place team bested the second place team 3,278 to 3,274 pins. The victory was Connie's first time ranking at the top in a major bowling event. She previously placed third in singles at the State level "but that was a long time ago. During this tournament, I personally bowled one of my best single games with a 265," she said. Her lifetime game high is 279. A score of 300 represents a perfect game. "Reaching 300 is a work in progress."

Other team members are: Linda Chappell, team captain, Drucella Gray, Lisa Hood and Marcia Sessions.

In addition to a monetary prize for their victory, Connie and her team mates received a Virginia State Women's Bowling Association Medal, Certificate for Outstanding Achievement and a Women's International Bowling Congress Champion Emblem.
